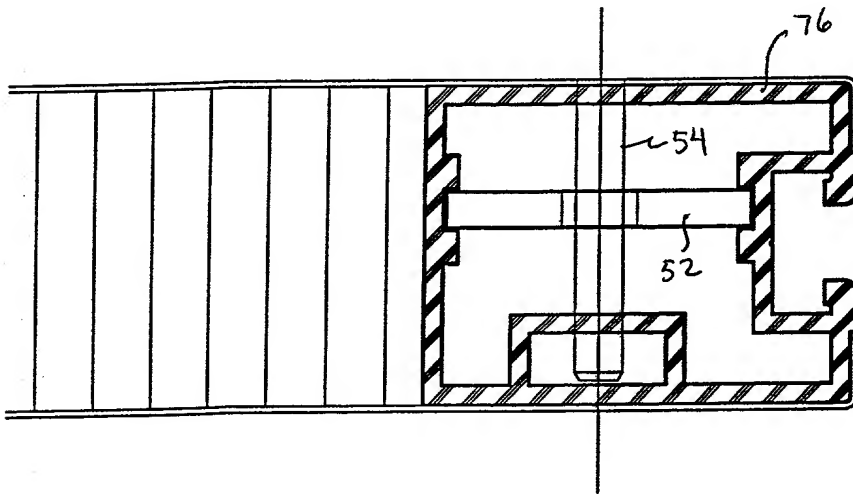

Fig 7

A hand-drawn floor plan of a building with five rooms. The plan is divided into five rectangular sections by four vertical lines. The leftmost section contains a double-lined rectangle representing a door. The second section from the left contains a large rectangle. The third section contains a large rectangle. The fourth section contains a large rectangle. The rightmost section contains a large rectangle. A horizontal line runs across the middle of the plan, with several small rectangles and lines indicating doors or openings. Labels are placed as follows: 'A' is in the fourth section, below the middle horizontal line; 'B' is in the third section, above the middle horizontal line; 'C/D' is in the rightmost section, above the middle horizontal line; and 'E' is in the rightmost section, above the top horizontal line. There are also some small, illegible markings in the top-left and top-right sections.
